To: Newman, Keriema <Newman.Keriema@epa.gov>;

You are welcome. We talked this morning and hopefully these documents will meet his needs.

Have a fabulous holiday!

Subject: 35th Avenue Site - Lead health consultations

Keriema,

I am not sure which health consultations Glenn was referring to regarding lead language. However I am attaching two that I think Glenn was referring to. If not let me know and I will talk to Glenn about other documents he is interested in reviewing.
